

GUDRUN GILLES

DIRECTOR & PRINCIPAL CONSULTANT

- Graduate Diploma in Business Administration (GDBA)
- Lead Auditor, Quality Management Systems
- Certificate IV in Assessment and Workplace Training
- Associate Diploma in Social Pedagogy

Having worked and lived in Europe and Southeast Asia before migrating to Australia, where she initially worked in a variety of roles in the public and not for profit sectors, Gudrun has developed exceptional cultural agility skills.

In 2001 Gudrun established GoodRun Solutions and moved into full time consultancy services in 2007 which enabled her to work across a number of sectors with a wide variety of community groups, small and medium-sized enterprises, not-for-profit organisations as well as tertiary institutions and government agencies.

She has a depth of experience in a variety of roles across the human services sector. Over the years her focus has been in particular around strategic planning and the quality and of disability, early childhood and aged care services.

Gudrun has provided valuable mentoring services to small business owners and senior executives since completing her Graduate Diploma in Business Administration and uses her own experience as a small business owner to strengthen her mentoring role.

The strength of her consultancy services is her ability to create tailored solutions to achieve desired outcomes and inspire effective collaboration with a variety of stakeholders.
